

CLASS DESCRIPTIONS

Ballet – Our graded Ballet classes follow the ISTD syllabus. Ballet will help develop poise, co-ordination, discipline, musicality and expression through the enjoyment of classical dance. Ballet is the foundation for all dance styles.

Tap – Our graded Tap classes follow the ISTD syllabus. Lively, rhythmic tapping makes the performer not just a dancer, but also a percussive musician.

Modern – Our graded Modern classes follow the ISTD syllabus. Modern will teach rhythmic co-ordination through a structured syllabus and develop the distinct style of modern jazz seen in many popular musicals on stage and screen.

Jazz - Jazz will continue the development of the jazz style that is established through the Modern syllabus. It is highly recommended that the modern class is studied as well. Jazz classes often incorporate contemporary styles as presented through the pop genre and videos as well as older classics.

Street Jazz - A blend of funk, Jazz and hip hop this course introduces a range of techniques and styles to create dance routines you see everyday on the TV Music Channel.

Musical Theatre – This is an exciting class for children who love to perform! Featuring a combination of dance, singing and drama.

Freestyle/Disco - Freestyle/disco is the trendiest and most popular form of dance in the UK today. Involving runs, spins, kicks and leaps as well as lots of different arm and hand actions. Wear your favourite dance outfit!

Acrobatics - Acrobatics classes are among the most popular and teach skills requiring significant body control (balance, strength, and flexibility).

ElliTe Performers Juniors – Audition for our Youth Dance Companies to maximise performance opportunities and learn fun group routines in all styles.

LAMDA Drama Lessons - For fun or to prepare pupils for exams in Acting and the performance of Verse and Prose. Perfect for auditions, monologues and building confidence for public speaking.
